If an account is not in credit the account may be disconnected at the discretion of Westnet; all accounts must be paid by Credit Card or Direct Debit except where there is prior written agreement with Westnet Management; Westnet will always aim to provide the best and most reliable service possible, but cannot be responsible for any loss of service, regardless of the party at fault; the account will not be used for any illegal or anti-social purposes, including obscene, abusive, fraudulent, threatening or otherwise unacceptable messages or usage; in the event that my/our account remains unpaid for a period of 60 days or more, Westnet reserves the right to disconnect my/our service. Fees which result from the reactivation of the service will be my/our responsibility; if applying for phone service with Westnet I authorise Westnet to act on my behalf to transfer my phone service to Westnet for all phone charges. I also understand that any changes made to contact or payment details on this form will be updated in Westnet's system unless stated otherwise; I am aware that Westnet will only begin charging me for the service once the line has been transferred and my current provider will charge me for the service up to this time. I understand that it is my responsibility to check the terms and conditions of my current telephone provider/s in relation to the services being transferred to Westnet; bundling customers please note that bundling criteria apply, see Broadband1 terms and conditions; I/we have read and understood Westnet's General Terms & Conditions, Westnet's Broadband1 Terms & Conditions and Westnet's Phone Terms & Conditions (found on the Westnet Web Site <http://www.westnet.com.au/link/terms> or provided to me/us by Westnet at my/our request) and agree to abide by them. I/we also verify being over the age of 18.
